

Do you want to survive your PhD?

Join MyPhDMentor!

MyPhDMentor is a mentoring program designed to improve the overall experience of PhD candidates!

MyPhDMentor promotes PhDs' personal/professional growth

MyPhDMentor works through a wide, international support network of students and researchers

What a mentor can do for you?

- Help finding your work-life balance
- Help handling the relationship with your supervisor
- Help improving your soft skills
- Help finding on your priorities, goals and motivations
- Help building your own approach on your values and attitudes

But remember...a mentor is not a tutor, a superviros, a trainer or a technical consultant!
